GOVERNOR BILL RICHARDSON TO TOUR SOUTHEAST NEW MEXICO

SANTA FE - Governor Bill Richardson will tour 11 communities during a three-day swing through southeast New Mexico. The theme of the tour is: "Moving New Mexico Forward."

Governor Richardson will discuss the recent legislative session, and talk about upcoming initiatives, such as the education-reform election in September and a planned special session of the Legislature to overhaul the state's tax system.

A representative from the Governor's constituent services office will also attend the events. Constituents who need help dealing with a state service or agency should be at the events early, so they can talk directly with the Governor's staff. If possible, constituents should put their concerns in writing in order to expedite a response from the Governor's Office.

Governor Richardson will visit several communities, speak to rotary clubs, visit state agencies and hold town hall meetings during the three-day trip, which starts Wednesday in Moriarty.

Governor Richardson will tour every region of the state throughout the summer.
