SANTA FE- Governor Bill Richardson will hold a news conference regarding the creation of new, rural New Mexico jobs this coming Monday, May 19th. The Governor will also announce the awarding of more than \$1,000,000 of In-plant Training funding, which will result in the expansion of several local companies and the creation of hundreds of additional jobs.

The news conference will take place at 10a.m. at Cardinal Health, 4272 Balloon Park Road, in Albuquerque.
