Governor Bill Richardson today will sign his economic growth package passed during the recent special session of the New Mexico Legislature. Governor Richardson's Investment Partnership (GRIP) will benefit every county in the state, create 8,000 jobs per year, and have an \$8.4 Billion positive impact on New Mexico over the next 6-8 years.

The signing will take place at 1 p.m. today at the site of one of the priority projects for GRIP- the intersection of I-40 and Coors Blvd in Albuquerque, on the southwest side in the parking lot of Furr's Cafeteria.
