Governor Bill Richardson and Governor Arnold Schwarzenegger join together for a united western clean energy policy

Santa Fe - New Mexico Governor Bill Richardson and California Governor Arnold Schwarzenegger, Co-Lead Governors for Energy, signed a letter today recommending that the Western Governor's Association develop a project to explore clean energy and energy efficiency opportunities in the West, and the policies that will make them happen in those states.

Governor Bill Richardson, Chairman of the Western Governors' Association, will host the Western Governors' Association North American Energy Summit on April 14-16, 2004 in Albuquerque, NM.
