### **Governor Bill Richardson Appoints Miles Nelson to Health Commission**

SANTA FE- Governor Bill Richardson has announced his appointment of Dr. Miles Nelson to the Health Policy Commission.

“Health care continues to be a major challenge for New Mexicans,” said Governor Bill Richardson. “Because of his vast experience and expertise, Dr. Nelson will be a great addition to the Health Policy Commission.”

Emergency physician and one time Congressional candidate Dr. Miles Nelson worked his way through college and Stanford Medical School before practicing emergency medicine in New Mexico. Dr. Nelson co-founded the environmental group Citizen Action and ran for the Democratic nomination for Congress against Heather Wilson.
