Governor Bill Richardson Issued the Following Statement Following the Resignation of Judge Brennan

Santa Fe: Governor Bill Richardson issued the following statement:

“I commend Judge Brennan for his decision to resign. It is the proper course of action given the circumstances.

This incident has been a terrible period for New Mexicans and obviously an embarrassment for Judge Brennan and his family.

As Judge Brennan pursues his treatment and rehabilitation, I will aggressively continue my efforts to curb the scourge of drug abuse and DWI that is affecting our state.”
