Governor Bill Richardson Appoints Student Regent at NMSU

SANTA FE – Governor Bill Richardson today appointed Ed Kellum to fill an open student position on the New Mexico State University Board of Regents.

“While Ed Kellum will no doubt be a true voice for the students at New Mexico State University, I am counting on him to bring a unique perspective to the Board of Regents,” Governor Bill Richardson said. “Ed wants to establish a national identify for NMSU. I look forward to watching NMSU continue to move forward with his help.”

Ed Kellum earned a Bachelor in Business Administration in Marketing from NMSU in 2006. He is currently a graduate student in the Government Public Affairs program. During his time at NMSU, Kellum has earned several honors, including being named to the College of Business Dean’s List. Kellum was director of government affairs for the Associated Students of NMSU. He also served as student representative to the Faculty Senate.

Kellum replaces Sherry Kamali, whose term as student regent expires at the end of the year.
