Governor Bill Richardson Lowers Flags In Memory of Rep. Manuel Herrera

SANTA FE -- Governor Bill Richardson will order flags to fly at half-staff beginning Monday in memory of Rep. Manuel Herrera, who died this weekend following a long battle with cancer.

“Manny Herrera was a quiet, but effective advocate for the people in Grant and Hidalgo counties,” Governor Bill Richardson said. “I always turned to Manny Herrera on any issue that affected Southwest New Mexico. He will be missed.”

Governor Richardson will sign an Executive Order on Monday ordering flags to fly at half-staff.
