## **Governor Bill Richardson Encourages New Mexicans to Vote**

(Santa Fe, NM) – Today, Governor Bill Richardson encouraged registered voters to head to the polls on Tuesday and take part in the June 3 primary election.

“With open seats in every Congressional district and an open U.S. Senate seat, New Mexicans have a historic opportunity to have their voices heard in Washington, D.C.,” Governor Bill Richardson said. “I urge registered Democrats and Republicans to take this opportunity and help shape a new delegation to represent our interests in Congress.

“We also have many legislative, judicial and local offices that are open. Go to the polls and make a difference.”

Voters should contact their local county clerk to find their voting site. A list of county clerks can be found at: <http://www.sos.state.nm.us/sos-CClerk.html>.
