EXECUTIVE ORDER 2022-143

DECLARING EMERGENCY IN SIERRA COUNTY DUE TO FLOODING AND AUTHORIZING EMERGENCY FUNDS FOR THE DEPARTMENT OF HOMELAND SECURITY AND EMERGENCY MANAGEMENT

WHEREAS, Sierra County was impacted by severe flooding as a result of the monsoon rain event that has been ongoing since mid to late August;

WHEREAS, the Sierra County Emergency manager has reported numerous instances of flooding throughout the County, including damaged roadways, low water crossings, and inhibiting access to public and private property;

WHEREAS, the amount of rainfall from this monsoon rain event caused flooding and substantial damage to public roadways within Sierra County, which has prevented residents of Sierra County from being able to access critical services and prevented emergency responders from being able to respond;

WHEREAS, this monsoon rain event prompted the Sierra Board of County Commissioners to issue a local disaster declaration on September 20, 2022;

WHEREAS, the damage from this monsoon event has resulted in undue human suffering and hardship and threatens the public health, safety, and welfare of the citizens of Sierra County.

WHEREAS, the local disaster declaration issued by Sierra County states that all local resources available have been insufficient to cope with the resulting situation and therefore Sierra County requests aid, assistance, relief programs, and funding from the State of New Mexico; and

WHEREAS, this disaster is of such magnitude as to be beyond local control and requires

the resources of the State of New Mexico to minimize economic or physical harm and to take actions necessary to protect the public peace, health, safety, and welfare.

NOW, THEREFORE, I, Michelle Lujan Grisham, Governor of the State of New Mexico, by virtue of the authority vested in me by the Constitution and the laws of the State of New Mexico do hereby **DECLARE** a state of emergency to exist in Sierra County due to the severe flooding resulting from the monsoon rain event that has been ongoing since mid to late August and **ORDER** and **DIRECT** as follows:

The funds shall be expended in accordance with the policy and procedures of the Department of Homeland Security and Emergency Management, as approved by the Governor or the Governor's Authorized Representative.

2. The Department of Homeland Security and Emergency Management shall coordinate all requests for assistance and responses to such requests under the authority of and as determined by the Governor and her Authorized Representative. In addition to such other eligibility criteria as may be established by the Governor and her Authorized Representative, applicants requesting financial assistance from the State for necessary action taken in response to

the emergency shall be required to demonstrate that the cost of the necessary action exceeds their available resources, as determined based upon criteria developed in conjunction with the State agencies (if any) with financial and budgetary oversight responsibilities for the applicant.

3. The Adjutant General shall order into service any elements of the New Mexico National Guard as are or may be needed to provide military support to civil authorities as needed for this emergency. This action is pursuant to and in accordance with NMSA 1978, Sections 20-1-1 to -8, NMSA 1978, Sections 20-2-1 to -8, and NMSA 1978, Sections 20-4-1 to -14. 4. All Cabinet Departments and agencies under gubernatorial control shall provide any assistance that may be required by the Department of Homeland Security and Emergency Management or by the State Emergency Operations Center under the authority of the Governor's Authorized Representative.

I FURTHER ORDER and DIRECT as follows:
