HOUSE EXECUTIVE MESSAGE NO. 17

The Honorable Javier Martinez, Speaker of the House and
Members of the House of Representatives
State Capitol Building
Santa Fe, NM 87501

Dear Speaker Martinez and Members of the House:

I am pleased to sign HOUSE TAXATION AND REVENUE COMMITTEE SUBSTITUTE FOR HOUSE BILL 505, as amended, with certificate of correction ("HB 505"), and enact into law funding for significant infrastructure investments throughout New Mexico. Sound investment of public funds is essential for the State's economic growth, protection of New Mexico's natural resources, and a high quality of life for New Mexicans. This bill funds more than \$1.2 billion in projects. It also funds \$608.5 million in state agency capital projects, including \$32.9 million for district and magistrate courts, \$22 million for statewide improvements at correctional department facilities, \$20 million for public school food security, \$10 million for Mainstreet projects, \$68 million for the New Mexico Behavioral Health Institute, \$2.3 million for Children, Youth and Families Department facilities, \$70 million for pre-kindergarten classrooms and career technical education, \$35 million for public school security systems, and \$20 million for tribal libraries. The bill also funds about \$143 million for higher education, \$125.6 million for tribal projects, \$102.8 million for public safety projects, \$150.2 million for water and wastewater projects, \$76.5 million for public schools, \$37.8 million for road projects, \$10.5 million for behavioral health facilities, \$14.8 million for housing projects, and \$10 million for a reproductive health clinic.

While HB 505 does much to address our State's infrastructure needs, the bill includes several projects that were underfunded or violated the Anti-Donation Clause of the New Mexico Constitution. For these reasons, I have vetoed \$260,000 in general fund projects. I have also vetoed parts of HB 505 to remove unduly restrictive language that intrude upon the executive managerial function, to ensure funds are appropriated to the correct fiscal agent, and to make certain that capital outlay monies are sufficient to fund corresponding public projects.

New Mexicans deserve that we do our best to allocate capital resources to projects that meet the needs of local communities and prioritize our most significant needs and common goals. Viewed as a whole, this legislation furthers those ends.

Accordingly, I this day SIGN and RETURN:

HOUSE TAXATION AND REVENUE COMMITTEE SUBSTITUTE FOR HOUSE BILL 505, as amended, with certificate of correction, which was enacted during the Fifty-Sixth Legislature, First Session, 2023, except the following item or items, part or parts, which I hereby veto pursuant to the authority granted me in Article IV, Section 22 of the New Mexico Constitution:
